

The image shows the YouTube video upload interface. At the top, a blue bar indicates "PEMROSESAN SELESAI" (Processing Complete) and a "Publikasikan" (Publish) button. Below this, a message says "Klik 'Publikasikan' untuk menayangkan video Anda." (Click 'Publish' to display your video.) and "Draf disimpan." (Draft saved.).

The "Info dasar" (Basic info) section is active, showing "Setelan lanjutan" (Advanced settings). The video title field contains "Lompat Indah" (Beautiful Jump). A yellow box labeled "ISI Judul Video" (Video Title) has a red arrow pointing to this field. The description field contains "Deskripsi Video lompat indah" (Beautiful jump video description). A yellow box labeled "Deskripsi Untuk Video 'Bebas'" (Description for 'Free' video) has a red arrow pointing to this field. The "Tag" field contains "Tag (misal: albert einstein, babi terbang, Tom & Jerry)".

On the right, the visibility is set to "Publik" (Public). There is a "Tambahkan pesan ke video Anda" (Add message to your video) field and social sharing options for YouTube, Google+, Facebook, and Twitter. A "+ Tambahkan ke daftar putar" (Add to playlist) button is also visible.

At the bottom, the "GAMBAR KECIL VIDEO" (Video thumbnail) section shows three thumbnail options, all featuring a landscape with a tree and a rainbow.

On the left, a warning message states: "Anda mengupload video layar lebar (16:9). Jika resolusi aslinya 720p atau lebih besar (misal: 1280x720 atau lebih besar) sebaiknya kirimkan video Anda dengan resolusi asli untuk menghasilkan pemutaran dengan kualitas yang lebih baik." (You are uploading a wide-screen video (16:9). If the original resolution is 720p or larger (e.g., 1280x720 or larger), it is best to upload your video with the original resolution to produce playback with better quality.)
